

Flag Colors

This banner of love and devotion, now being folded is a memorial to the courageous service of our comrade.

The one we come to honor this day.

The **RED** stripes tell us of the blood, sweat and tears that has been offered and conquered by our comrade's devotion to the continued freedom of his country.

The **WHITE** stripes boldly proclaims the peace that he helped bring to our future generations.

The **BLUE** field represents the sky that overlooks our land and denotes the watchfulness of **God, The Eternal!**
